

## Bulletin – New Zealand Service Update

### **PLEASE BE ADVISED OF THE FOLLOWING INFORMATION:**

Please be aware that the continued presence of Covid in AKL means we are still seeing significant delays and backlogs with deliveries within South and East Auckland.

We are now seeing delays of up to 14 days in delivery on backlogged shipments.

On average delays of up to 7 days are now common.

The rest of New Zealand is generally delivery SLA plus 2 working days.

If you require further information please contact the customer service department - [cs@skynetworldwide.com](mailto:cs@skynetworldwide.com)

We will continue to update the situation on our website.
