

## Israel Ceasefire 9<sup>th</sup> August-2022

### Update 9<sup>th</sup> August

Israel have confirmed SLA will not be affected, and service is back to normal.

### 8<sup>th</sup> August

Due to temporary security restrictions in some areas in Israel, please note we may see delivery delays in the next few days. Our partners in Israel have confirmed that a Ceasefire was declared yesterday at Midnight.

A follow-up bulletin will be sent if the situation worsens or recovers.
